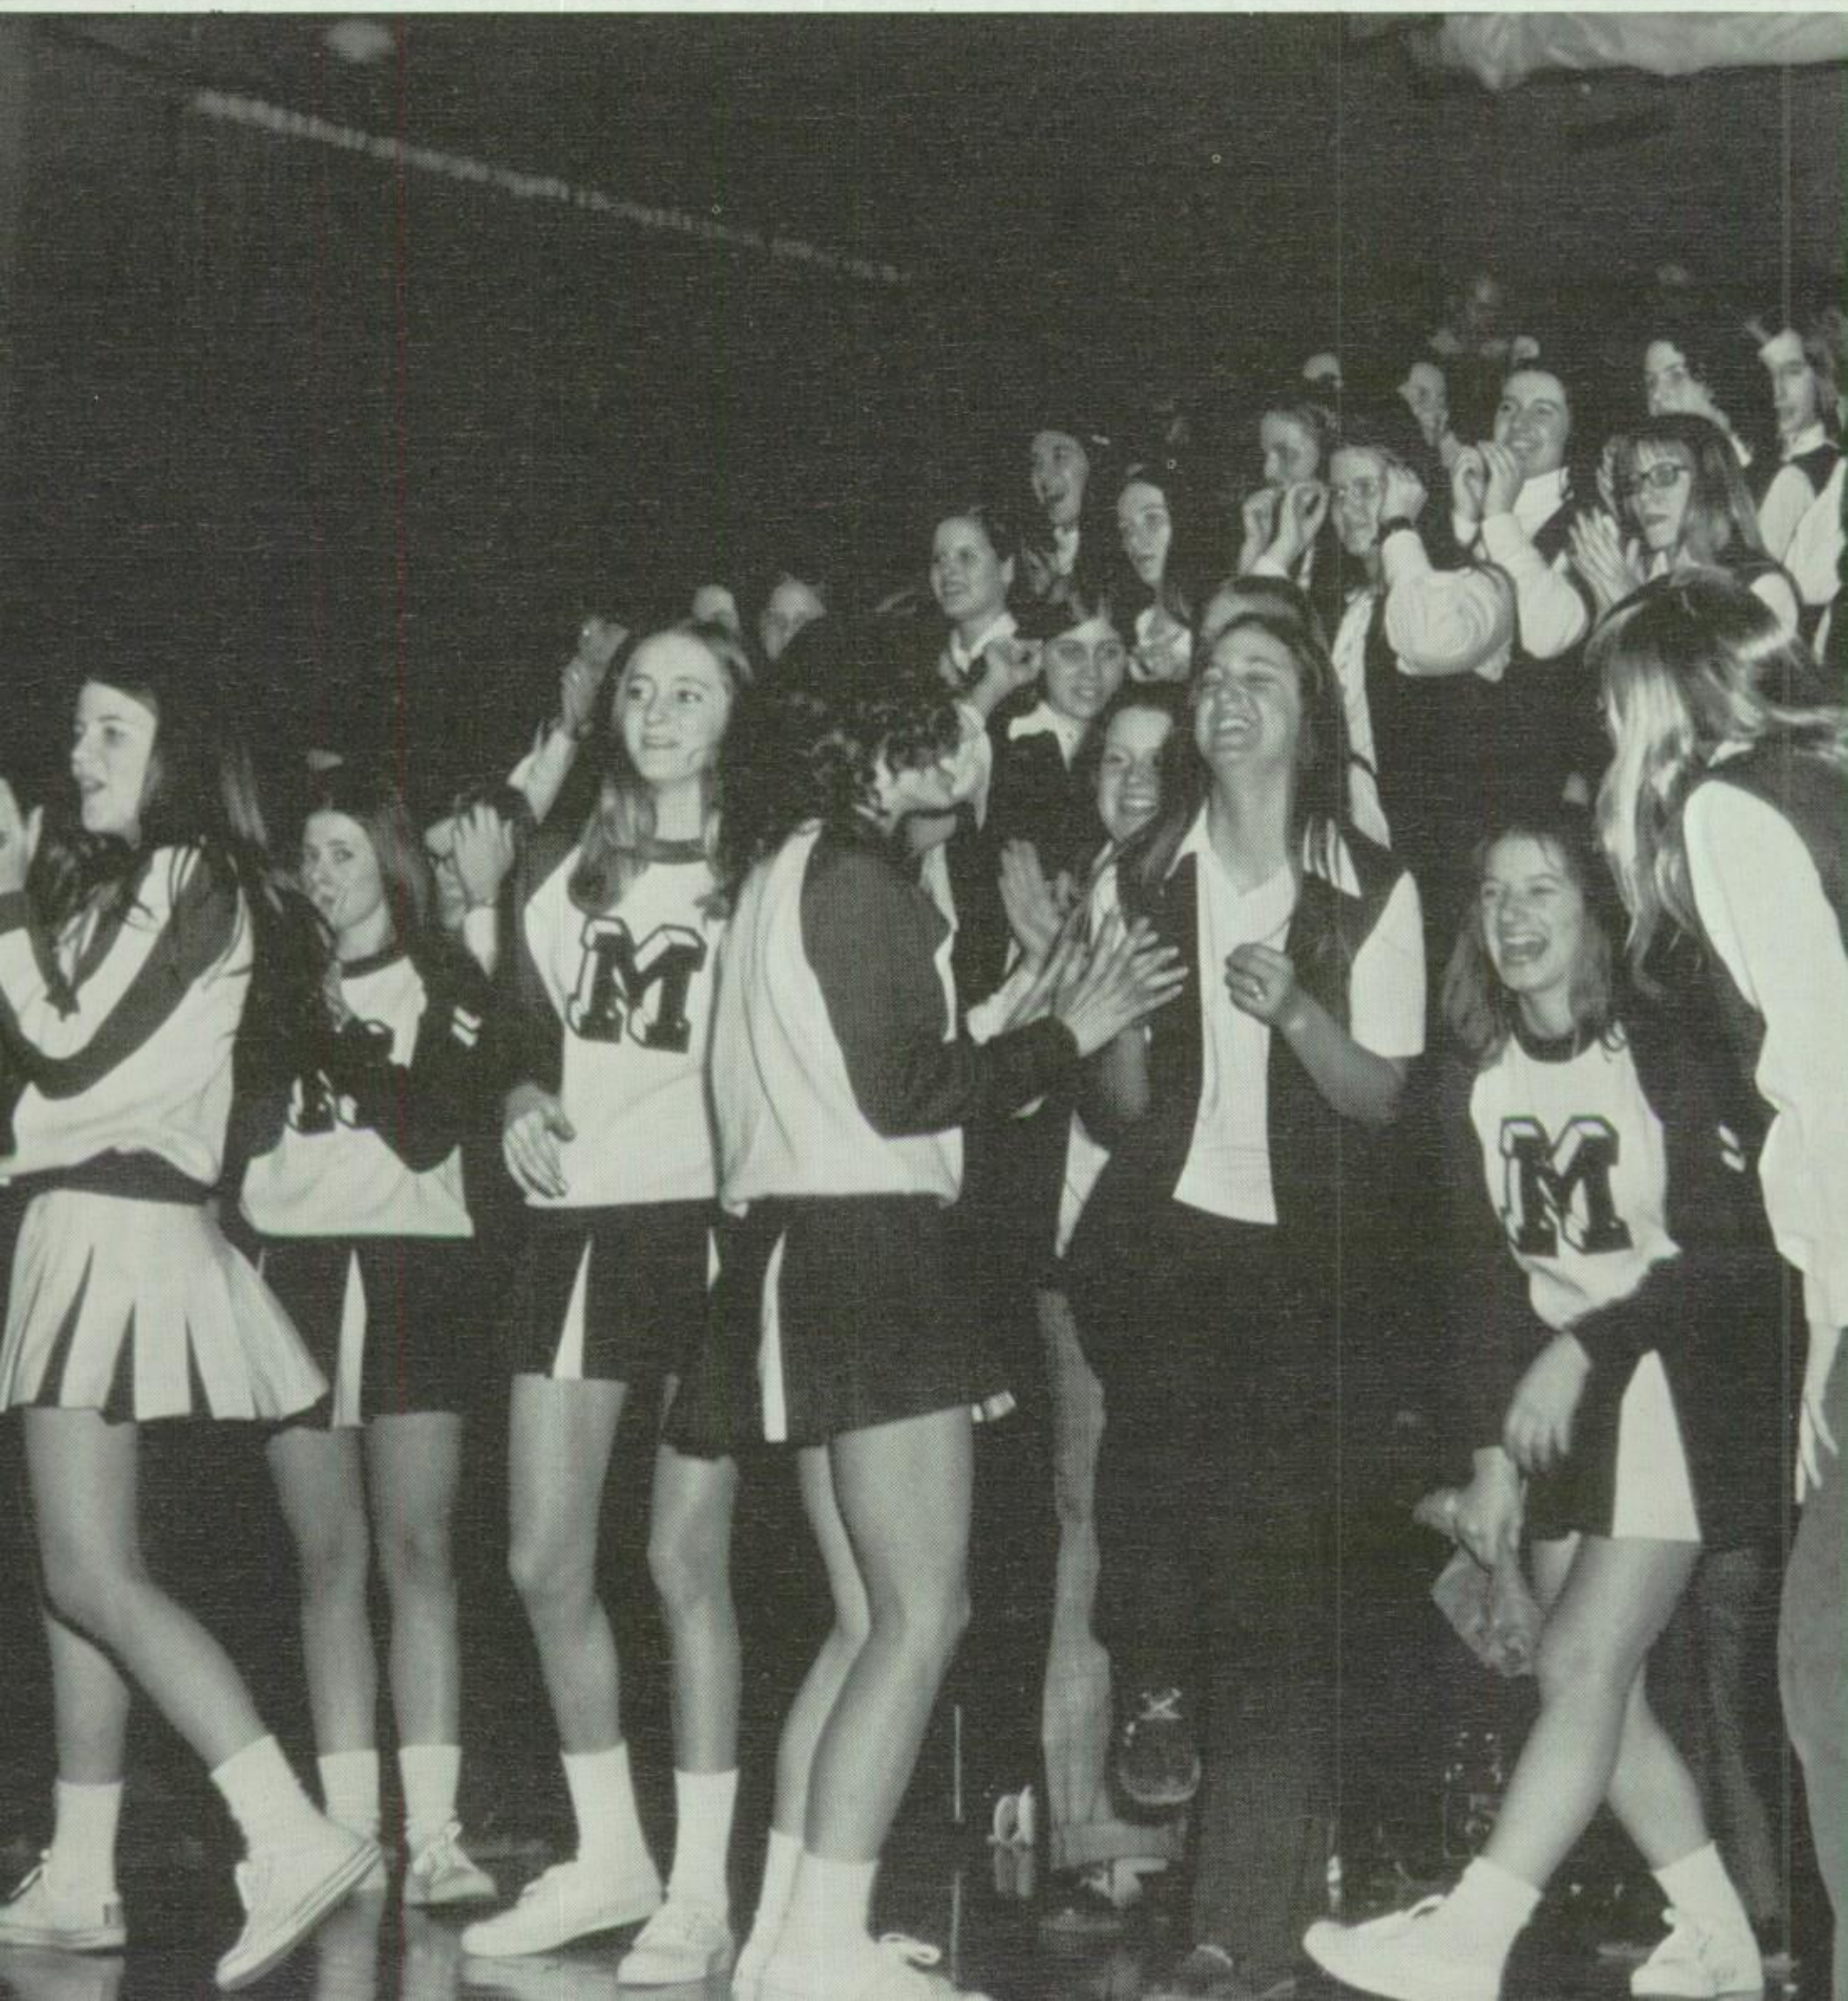
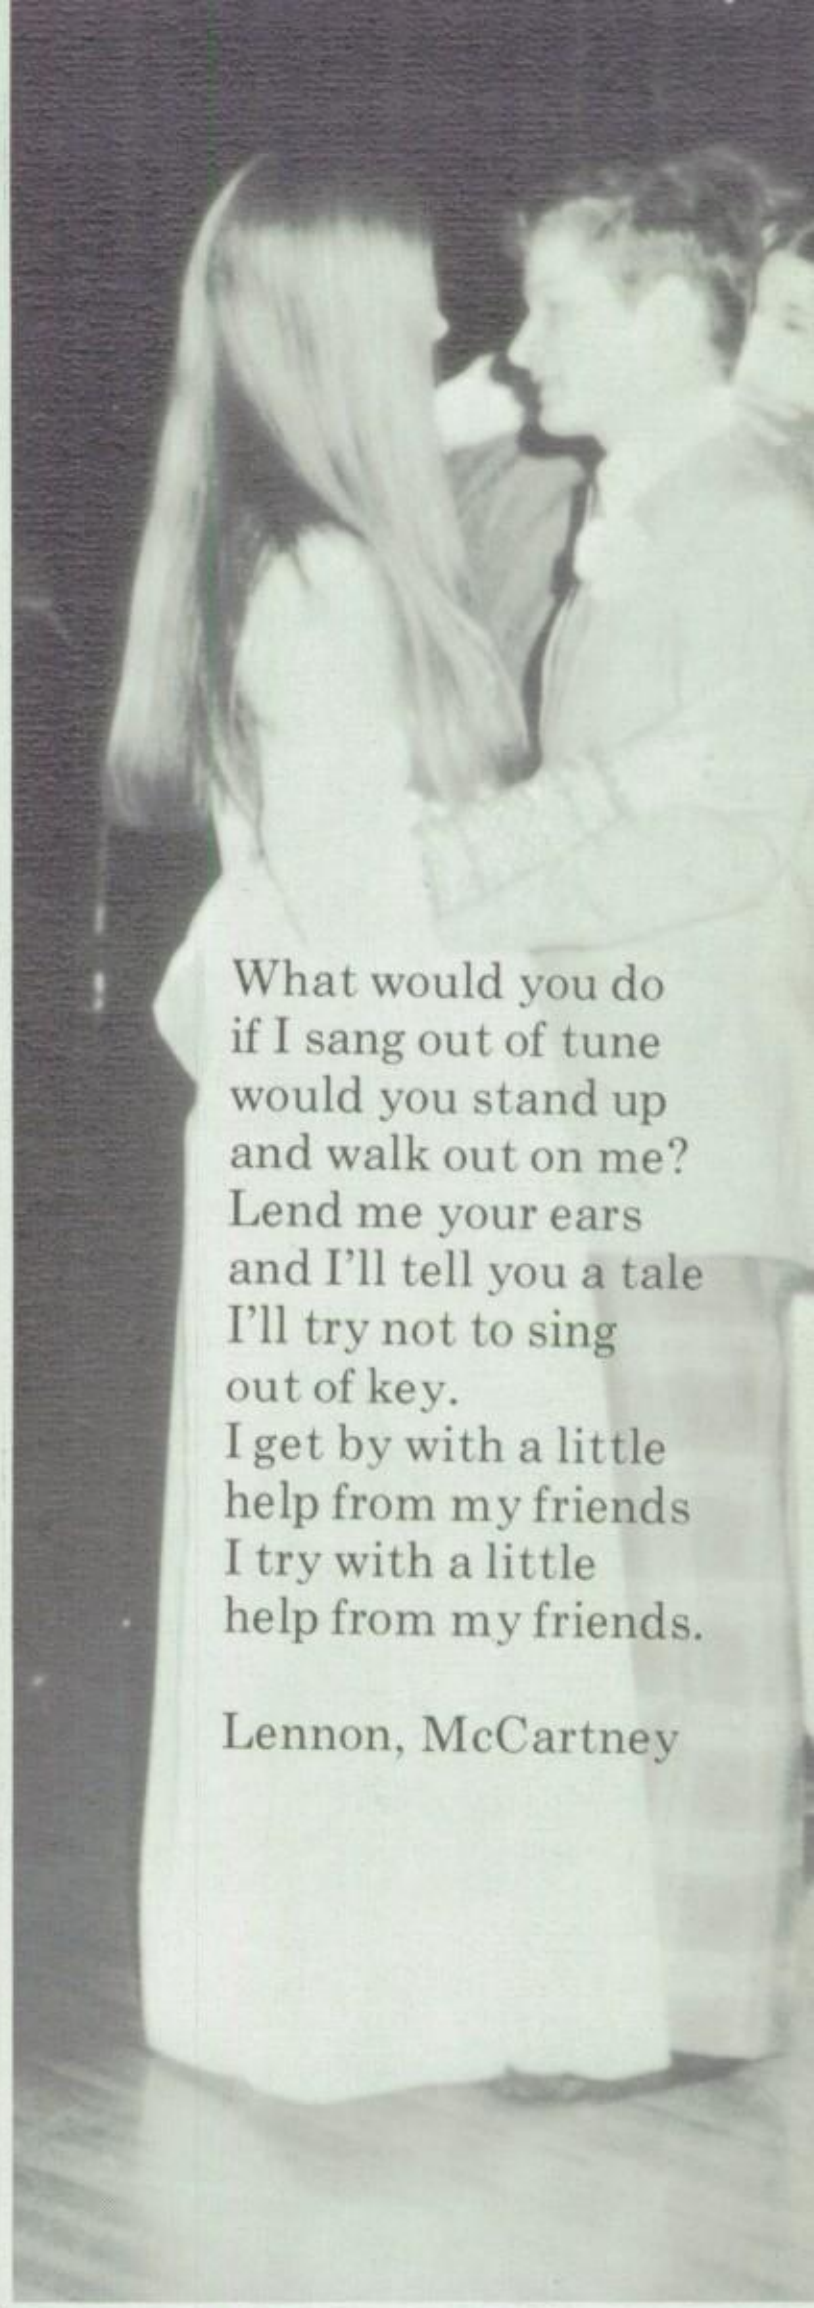
With a little help from



my friends



What would you do
if I sang out of tune
would you stand up
and walk out on me?
Lend me your ears
and I'll tell you a tale
I'll try not to sing
out of key.
I get by with a little
help from my friends
I try with a little
help from my friends.

Parlez vous, Francais?

Le Club du Francais aime les tomates. It all started in the fall of 1972 with the third year French class. One tomate on a flash card had changed the natural course of history to one of the more "extrondinaire." Little did one think it would be the pathway to infamcy for President Gui.

Thoughout the year the club had conquered many varied activities. Eight foot gas pumps accented an award winning homecoming float for the French Club . The annual banquet was held at Ches Les Blanc. The affair featured chocolate-fruit fondue for dessert and chocolate covered snails for the unsuspecting John Daggett.

Hola! Spanish Club has been very active this year. To start off the year they went to Migrant Camps. The members had a chance to talk with the migrant worker's children and to play games. Then during Homecoming week the club was very busy building the first place float entitled "Clean Up The Zebras." The annual Spanish Banquet was held in January. A play, given by several members was the highlight of the evening. The club also took a field trip to Taylor University. The Spanish Club sponsor is Mrs. Quintana.

Business

The Business Department functioned this year under Mrs. Holsinger, Mr. Metzger, and Mrs. White. The only course change was Bookkeeping that was replaced by Accounting.

The FBLA Club was quite active. A professional night was held in the fall, and members attended the FBLA convention held at Ball State. Martha Spencer was elected state secretary and Jeff Freeman, Mr. FBLA. He will go on to national competition in Washington. The club's display also won first place.

Sunshine Helps to Make the Year Bright

This is Mrs. Amiss's last year as Sunshine Sponsor. Many thanks go out to her for her fine help in making Sunshine a successful organization.

Once again Sunshine brightens up the school. Keeping up their tradition they gave poinsettas to the shut-ins, provided the teachers with apples and flowers and many other things that brought happiness to many people.

Sunshine fills emptiness.

Student Council

Does the MHS student council give the students a real voice in school matters *or* is it a powerless organization composed of popular students?

Actually, the answer lies somewhere between the two extremes. The 1972-73 S.C. was a reflection of both useless Tuesday meetings and worthwhile projects such as the annual Homecoming, the Christmas dance, and the NLC student exchange. The council also made efforts to sponsor a school prom.

No doubt, the MHS student council could have been improved, but it did have it's accomplishments.

Social Studies provides knowledge of government functions required for living in America. Social Studies is learning about the peoples of the world, past and present.

World History and U.S. History taught underclass students that people can learn from the past.

Government showed seniors the dependence of their government. Sociology dealt with the social problems of the world.

Two new electives were included in the curriculum. Values and Issues and International Relations which gave students a chance to express their feeling about current topics and geography.

The Manchester FFA Department of Manchester High School has a very wide range of activities. Our main money-making projects are corn, hay, Christmas trees and garden seed sales.

On May 1, 1972, we had our annual Plow Day. This is how we get our plowing and discing done in one day and have 60 acres ready to plant. Any member who would like to plow or disc is permitted to bring his equipment to school that day and is allowed out of class. The Department furnishes the gas. This year we had 52 acres in corn which yielded and average of over 125 bushels to the acre. Our share of the profit was around $3,000.

Not only did the band place higher in all parades than ever before but also received a first place in the concert band state contest for the first time in thirteen years. The band also had more state finalists in the solo and ensemble contest this year than in the past. One of the high-lights this year was the community's overwhelming response to the uniform campaign drive. This enabled the band to have beautiful new uniforms this year.

There were close rivals between players Baker, Clapp, Johnson, and Hoover with Pottenger and Faudree pretty safely set in their positions.

The J.V. had a fantastic record, having been beaten only once, with consistent scoring just above the varsity.

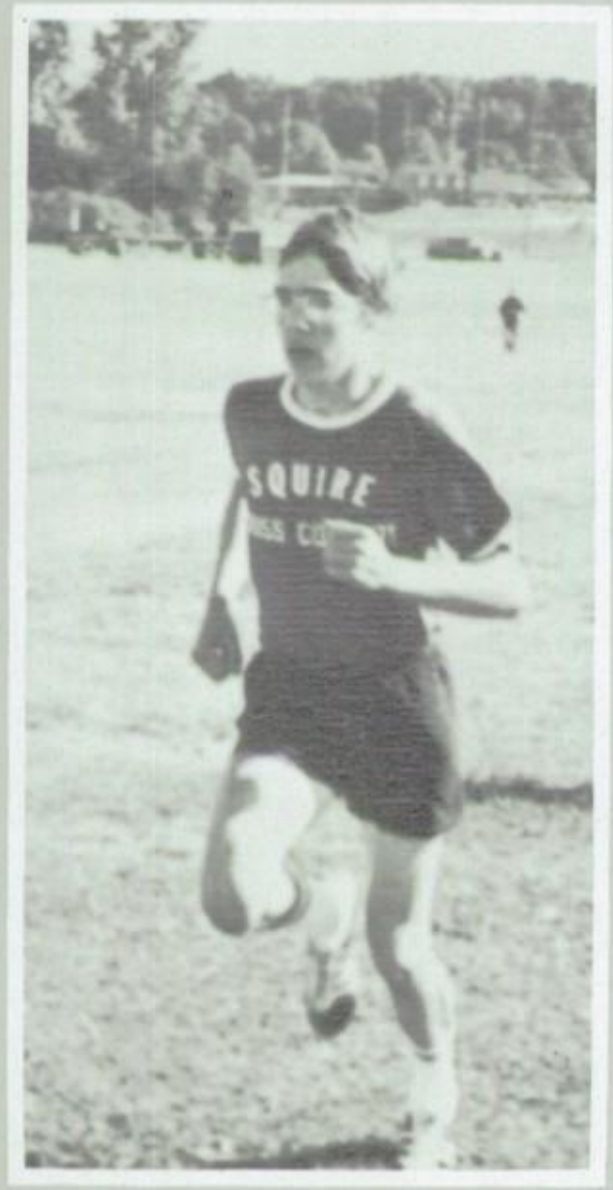
On the Run



Running Cross Country means a multitude of things. There is plenty of long distance running, hard training, and racing. Of course all of this is hard work, but it is also lots of fun. There was determination, a goal to be reached, a desire. This desire, talent and coach who knew how to use both, combined to produce a cross country team good enough to compete in the State Cross Country meet. Determination and work were rewarded. A Goal had been reached.

They also placed 1st in the Invitational, 4th in the Bellmont Tourney, 3rd in the NCL tourney and 2nd in the sectional. Injury sidelined 2 wrestlers, Joe Jarrett and John Daggett. Six wrestlers, Eberly, Hudson, Smith, Overmyer, Haynes, and Mitmoen advanced to the regional at Northside. Hudson then went on to take top honors at state. The wrestling team sets a fine tradition of winning MHS.

There were many high points to this year's track season. This year's team was probably the best team ever at Manchester. One of these highpoints was the teams 18-1 dual meet record which is best ever by a M.H.S. track team. The highest point of the season though, was the team's top finish in the county meet. The team also placed second in the Conference and Sectional meets. Five individuals and the mile relay team qualified for the Regional meet. Neal Albert, Jon Olinger, John Mitmoen and Stan Wilmert set new records along with the mile relay team.

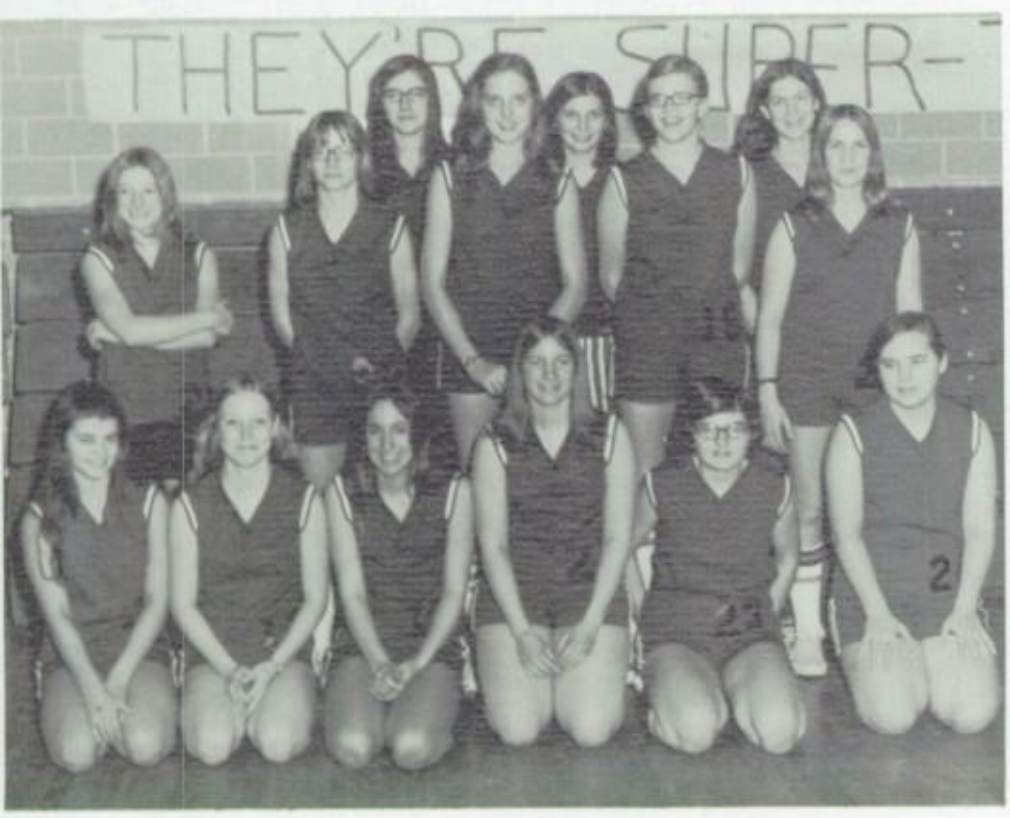
GAA Bowling Team

BELOW: B-Team and Volleyball Team.



GAA

GAA represented MHS well this past year. They to an active part in Volleyball having A and B team Mrs. Kester has a problem of being hit by stray volle balls. Basketball proved to be exciting and fun. M Myer is known for his gracefulness in sitting on t bench. When he sits down the other end flys up. even got up enough courage to come into the girls lock room to work out some plays. Besides the hilario mistakes that are sometimes made, we have peop who talk to the ref during the game. Pru Stra apologizes when she commits a foul. Once wh she got clobbered by somebody from the opponen team, her exact words to the ref were, "What are y going to call that one?" After these great prefo mances Pru is thrown into the showers. She h been thrown in nearly all the showers through out t county. Sometimes it works the other way. Gi Conrad was asked out for a date by one of the re Basketball members have gotten battle wounds fro games. Sandy Amiss went home with a black e after a game. The gymnastic team represented us w by sending two girls to state. The track team kind fizzled out, but we did have one meet. Three peop participated in swimming. Did you know that E hart is now in Illinois?

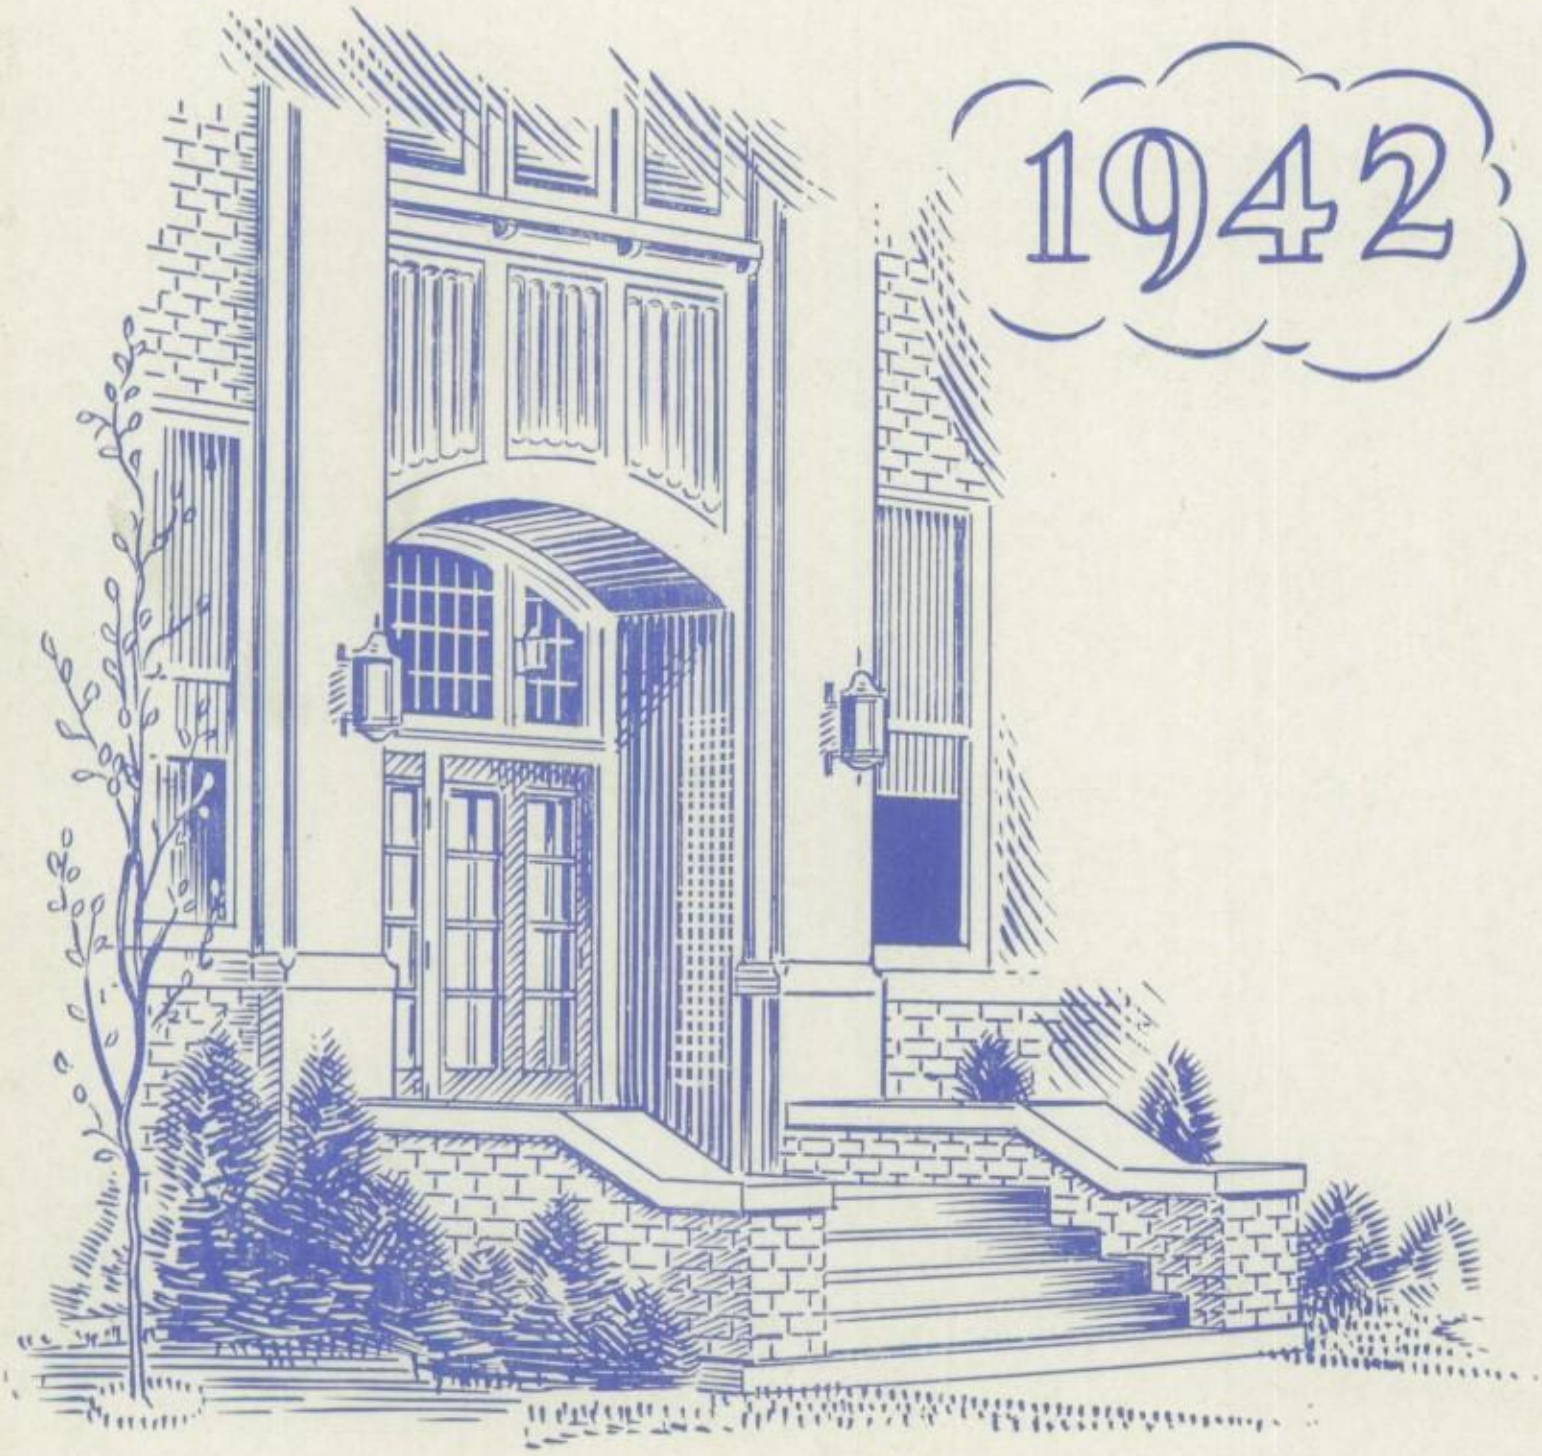
AWANATUNK

1942



Dedication

The dedication of this eleventh volume of the Awanatunk, by the senior class of nineteen hundred and forty two is respectfully given to MR. JOHN W. HALDEMAN.

We, as a class, feel that he has more than earned this small gesture of honor for his constructive leadership and understanding qualities.

We have felt his keen interest and willing cooperation and have progressed by it.

We know that his hearty but famous laughter will remain as an echo of remembrance to all students who have passed through Tunkhannock's halls of learning under his teaching.

This picture, in years to come, will refresh our memories of the fun, work, and play we have had under his scrupulous guidance and we will never forget him as a teacher and friend.

JOHN SHERMAN
"John"

"John" comes to us from the town of Factoryville. He is one of our class musicians. Without him the Senior class would be without any square dances. He also has quite a few girl friends. We are sure Sherman will succeed in his occupation of selling select meat. Lots of luck to you, John.

MARILYN TESSIER
"Tessie"

"Tessie" is an Academic student. She is very popular among boys and girls alike. Her hobbies are dancing, roller skating, and, as far as we can find out, her interests are almost unlimited. She is a transfer student who just came to Tunkhannock for her Senior Year. Here's success to you, Marilyn.

Class History

This history began in '38
We've followed the golden rule,
And progressed 'til now, with sorrow great,
We leave our dear old high school.

Our Freshman year we struggled on
'Mid classes long and dreary;
No special honors had we won,
But brains and minds were weary.

Miss Herrick in her jolly way,
Was every girls friend.
While Mr. Harding grew quite gray,
Before the year's end.

Our Sophomore year we toiled along,
But we had loads of fun.
We thought that life was just a song,
Though ours was harldy begun.

Miss Hildebrant was the girls guide,
Mr. Klinger took charge of the boys.
With these loyal teachers by our side,
School life was full of great joys.

Another year rolled swiftly round;
We were jolly juniors then.
Our many achievements knew no bound,
To work there was no end.

Mrs. Yurcic and Miss Northrup,
Helped the girls through the year.
While Mr. McLaren led the boys,
As our last school term drew near.

The Senior year came at last.
Mr. Haldeman was our class adviser.
Under his expert supervision,
We're sure we grew much wiser.

Our days at high school are at an end,
And with sad hearts we bid goodbye,
To the faculty, our every friend,
And to dear old Tunkhannock High.

It is called super-penetrating preoctial ray and it is truly a wonderful invention. Come, step into this metal compartment with me and I will tell you more. You now see the panel containing the dials for operation. Let me show you how it works. I will place the advance dial at ten and find the exact date with the present button. . . there we have it. ACTIVITIES

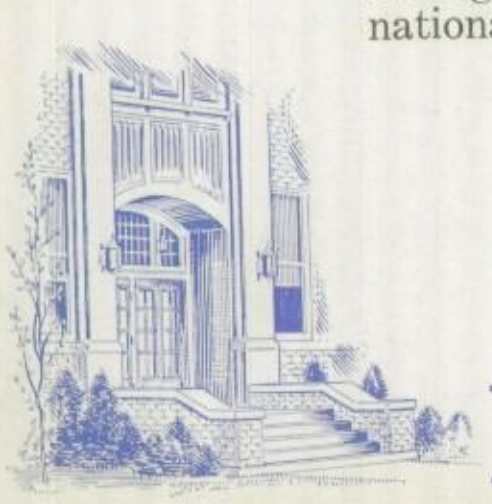
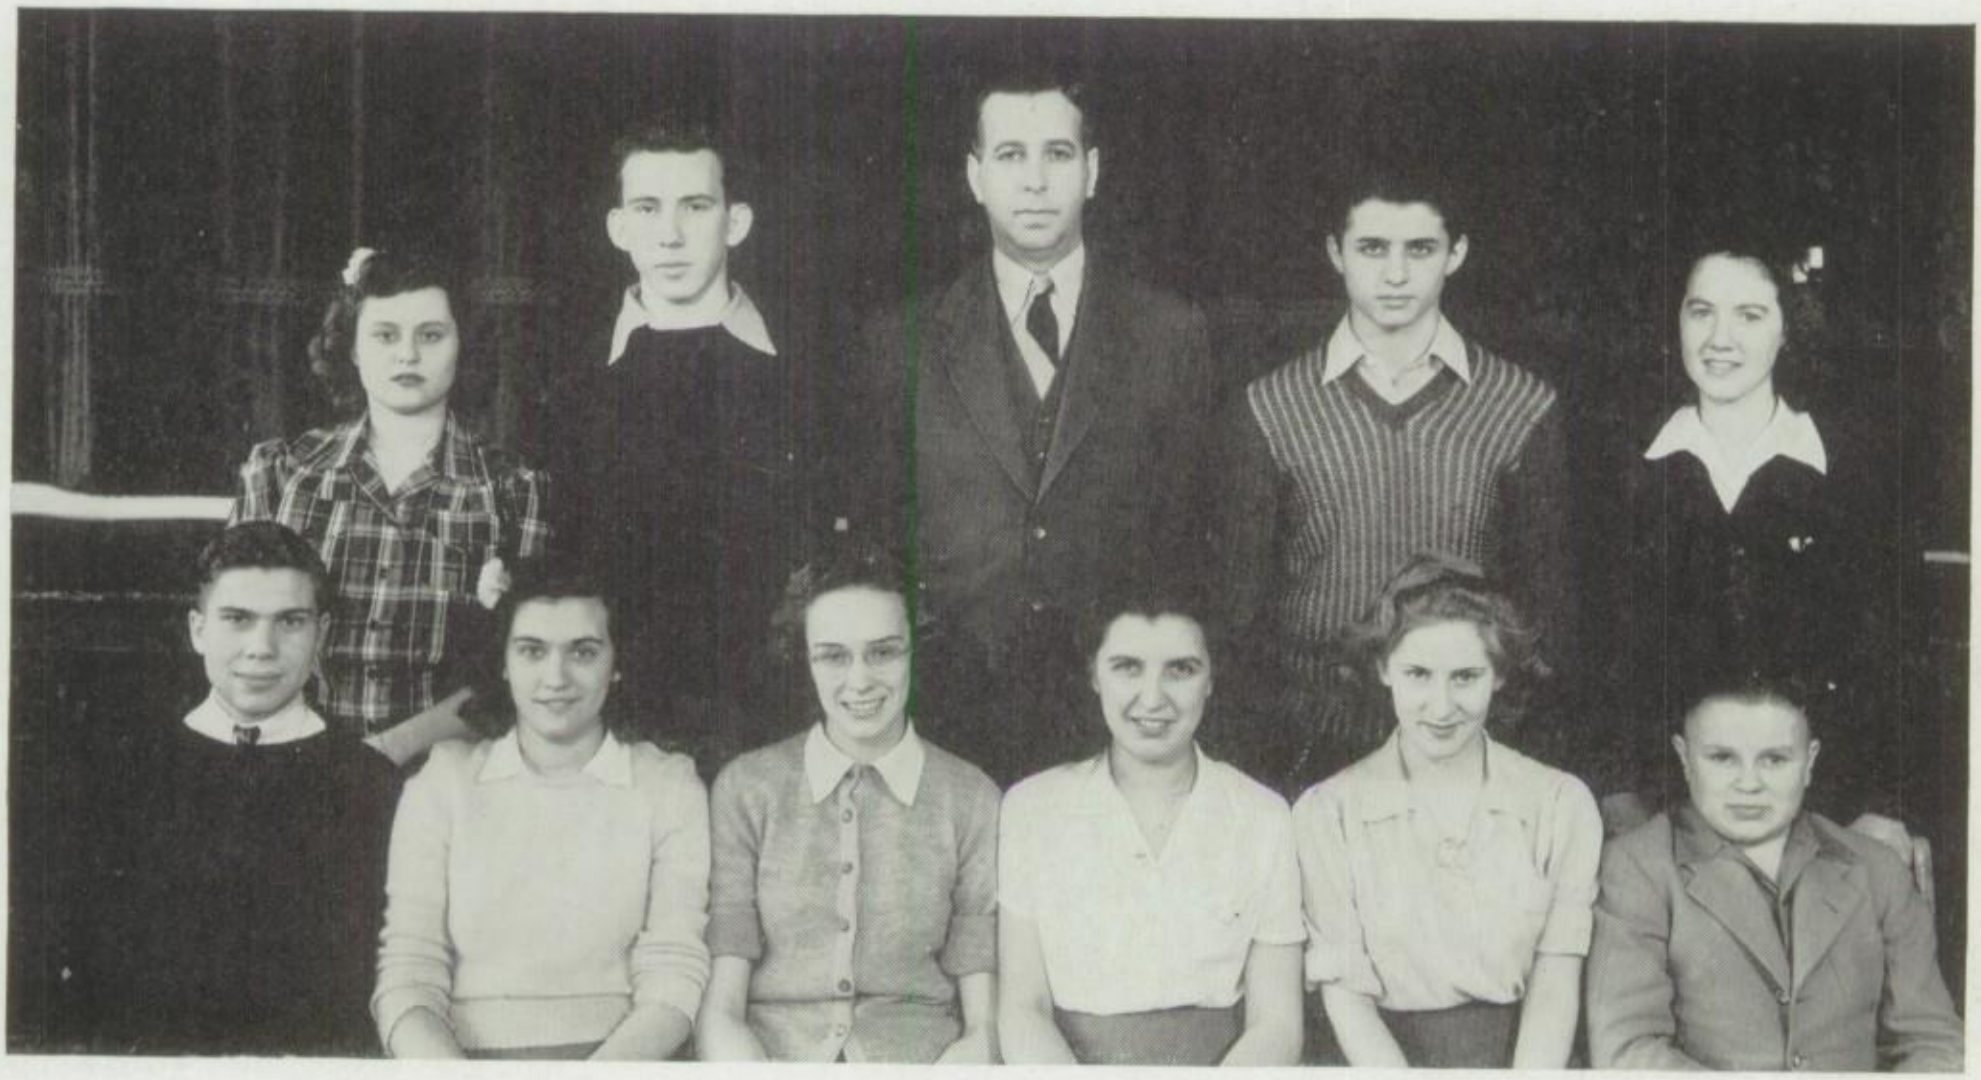
Activities Council

First Row: left to right—L. Lane, M. Baker, Mr. Dolbear (Adviser), A. Herrick, R. Harding.
Second Row—E. Baker, J. Vaskas, H. Myers, J. Greenley, P. Joyner.

Each homeroom elects one representative to membership on this council. It is their duty to regulate and supervise the activities of the school. Clubs or classes wishing to sponsor a school activity must submit a petition to the council for consideration and adoption. The council makes any suggestions for improvement and sees that the program or party is well planned and organized. Each council member had an opportunity to serve as chairman during a meeting and learned the rules for conducting a meeting. One of the outstanding projects of the Council was the sponsoring of the sale of Defense Stamps. Each Monday morning the representative collected the money, gave it to the treasurer, Rachel Harding, who went to the postoffice, bought the stamps and the students had their stamps to take home with them. We averaged more than $100.00 each week. This was a real contribution to national defense.



National Honor Society



First Row: *left to right*—Donald Ney, Alice Shoemaker, Shirley Wheeler, Mary Louise Price, Alice Allshouse, Aaron Herrick. *Second Row*—Betty Stevens, James Wiggins, Mr. Frank T. Dolbear (Adviser), Bob Stevens, Elinor Baker.

Election to the National Honor Society is based on scholarship, service, leadership and character. To be eligible the student must rank in the upper third of his class. Only a certain percentage from each class is eligible to election. Election to the society is made by majority vote of the faculty. Since the organization during most of the year had a small membership, it was not very active. The society is primarily an honor society and does not pretend to sponsor a very active program although this year we gave a "get acquainted" party for the freshmen class and had charge of several assemblies.

Newspaper Club

First Row: *left to right*—J. Wiggins, E. Shoemaker, P. Hewitt, R. Glasser, A. Shoemaker, Miss Tewksbury (Adviser), B. Crew, D. Harding, V. Price, D. MacDougall, C. White. *Second Row*—P. Welch, M. Brundage, G. DeWolfe, C. Davidson, G. Brody, D. Hughes.

The Newspaper Club publisher of "The Tiger" has greatly grown in membership over last year. The staff publishes a monthly paper which is now in its second year publication as a school newspaper.

This was carried out and the interest in the club was improved as a result. We had speakers, quizzes, movies, and forums for an outstanding year of work. The induction team gave an impressive program when the new boys were admitted to the club. The outstanding project of the year was when we invited senior boys from other schools in our county to our school for an afternoon of games, movies, and activity. We served them supper and followed this with a school dance. One boy was heard to say, "This was our best year". Of course we won the dues campaign with the senior girls.

The Girls' Athletic Club, sponsored by Miss Hoskins, serves to bring together under one aim all girls who participate in sports or who are interested in athletics.

The club's activities opened this year with the annual outdoor playday in the spring. Other girls from visiting schools took part in this event. Among the competitive sports were softball, girl's baseball, dodgeball, and miscellaneous foot races. Refreshments were served to a very appreciative group and dancing on the stage made this another successful playday.

Tumbling was very popular this year. Many girls turned out to learn the art and were very successful in their attempts. They also prepared an act showing their achievement.

Their Assembly program consisted of a very interesting and educational play about first-aid entitled "The Counselor".

To make the season complete the girls bought refreshments and hiked to Governors Point above town, where they cooked their food in an open fireplace and enjoyed nature's scenes. This event wound up a very good season for the girls of the athletic club.

The Boy Scout Troop after a late start did well with its program and many of the boys advanced in scouting. The meetings were held in the high school each Thursday evening and the scoutmaster, Mr. Dolbear, always tried to have a program arranged teaching us the elements of scouting. The two assistant scoutmasters, Charles Davidson, John Setser, the scribe, Hugh Myers, and the Senior Patrol Leader, Bob Philo, were of considerable help during the year. The assistant scoutmaster, Mr. McLaren, helped the boys during the week in preparing for tests. At one of our assemblies we had a Board of Review at which time one of our scouts, Hugh Myers, was awarded the Eagle Badge by the Scout Executive. Hugh also won the Stevens Memorial Trophy for the greatest advancement.

On the third day of September a group of boys interested in football met on the athletic field of Tunkhannock High School. Including the boys of the previous year's football team, there were 32 present.

Practice started that night to get the fellows in shape for the first game.

September 19, the Tunkhannock Tigers went to Forty Fort. Being the teams first game and the lack of experience of the new members of the team we came out on the short end of a 28 to 0 score.

September 27, Tunkhannock played its second game at Canton. The score remained tied at 0 to 0 until the last quarter when Canton pushed over a touchdown and an extra point however, we came back in the ballgame to tie the score at 7 to 7.

October 3, Tunkhannock played Dupont on the former's field. Dupont led by their half back "Minutes", was able to score only twice. Because of poor team work Tunkhannock was held from scoring, and so was defeated to the tune of 19 to 0.

The Tunks, still hoping to win a game went to Athens, but the T formation clicked to a 26 to 0 Victory for Athens, even though they couldn't break up our passing attack.

The following week we played one of our oldest rivals, Factoryville. A score of 13 to 0 was rolled up by Factoryville in the last quarter when we couldn't hold them any longer. This was the first time in eight years for the Red Rams.

The sixth game was played against Towanda on the Tiger's field. We just couldn't hold the stronger Towanda team from scoring. As a result the game went to Towanda, 26 to 0.

The next week Tunkhannock went to Dallas. The field was wet and also muddy in spots, therefore, neither team could do very much. In the second quarter Dallas scored 6 points but failed to convert the extra point. Our chance came in the last quarter when we were within a few feet of the goal, but we couldn't make pay dirt, thus our score again was 0.

Lehman played Tunkhannock on the home field. Lehman being the superior team outscored the Tunks 14 to 0.

At last our wish to win a game came true, when Pittston Township came up to play the Tunkhannock team for the first time. The Orange and Black pushed over 14 points to the Purple and White's 7.

The last game of the season was played at Clarks Summit. Neither our team, Tunkhannock, nor the Summit team were able to score in the first three quarters of the game. The Tunks were in scoring position several times. Then in the last few minutes Clarks Summit made 7 points and we were left with 0 once more.

This was the last game for many of the fellows, including Klein, Robinson, Jaquish, Davidson, Ayre, Prevost, Dobrinski, and Herman.

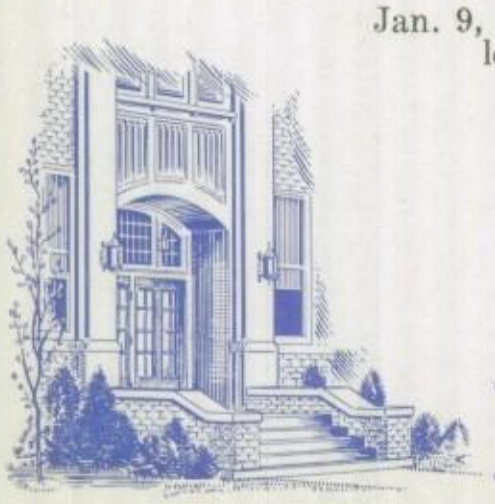
Dec. 9, 1941 The Basketball season got under way by the J. V's and Varsity teaming together. The opening game of the season was played against Springville on Tunkhannock's court. An interesting picture was presented by a close score of 22-21 in Tunkhannock's favor. The Varsity played the Faculty following the Springville game. The score was 46-27, the faculty taking the decision.

Dec. 12, 1941 Tunkhannock played at Rush. They were defeated by our enemy courtmen with a score of 16-28.

Dec. 16, 1941 Tunkhannock played Hallstead on Tunkhannock's court. Hallstead's team made a good showing but Tunk. V. finally brought themselves to victory by a score of 31-28.

Dec. 19, 1941 Towanda provided the opposition on their home court. The game was close until the fourth quarter when Towanda broke out into the lead and Tunkhannock accepted defeat by a score of 38-24. This date marked the separation of our J. V. and Varsity teams.

Jan. 9, 1942 Tunkhannock journeyed to Clarks Summit to play the Comets in their first league game. The Comets set a fast pace and topped Tunkhannock by a score of 44-25.



Jan. 16, 1942 The Varsity met Factoryville on their own court. The Red Rams showed their superiority and ran away, with the home team winning by a score of 42-31.

Jan. 27, 1942 Tunkhannock went to Nicholson to play its third league game. The score was very close all the way, but in the last quarter the Nicholson Varsity gained on Tunk. and won after a hard struggle by a score of 47-38.

Jan. 30, 1942 The Varsity played the Montrose Varsity on the home court. Despite the early lead enjoyed by Tunkhannock they were unable to avoid a defeat by a 36-27 margin. This marked the fourth league game for the Tigers.

Feb. 3, 1942 The Varsity traveled to New Milford to challenge them on their court. Although it was the first experience for some of the boys on that court they reaped their laurels and came back with a victory of 40-17.

Feb. 6, 1942 The Varsity team played on Factoryville's court. They were out to win the game and close playing was displayed throughout the game. The score at the half was tie 18-18. However, during the third and last quarters the Factoryville team opened up and Tunk. took it on the chin by a score of 42-36.

Feb. 9, 1942 The Varsity challenged the New Milford squad on our home court. Coach McLaren's boys took an early lead and held it throughout, defeating New Milford for the second consecutive time, by a lopsided score of 52-14.

Feb. 13, 1942 The Comets from Clarks Summit played the Tigers at home. It was a gallant fight but the Tigers were finally blinded by the fast playing of the Comets. The half time score was not very good for Tunkhannock, but the boys kept fighting until the final whistle at which time the score was 51-23, with a loss against Tunkhannock.

Feb. 17, 1942 The Varsity met Hallstead in a fast game on the opponent's court. They were expecting a close game because of Hallstead's previous good showing. The home team was able to hit its stride and Hallstead's team was shut out from the floor by a score of 43-25.

Feb. 24, 1942 The Varsity were hosts of Nicholson. Tunk. took the lead early in the game, but was unable to hold it and went down in defeat by a close score of 34-30.

Feb. 27, 1942 The Tunkhannock Basketeers played their last league game at Montrose. They worked up to a victory, but the odds were against them. After leading for most of the game they were found trailing when the game ended to the tune of 29-24.

March 6, 1942 A determined team from Springville came to play with Tunkhannock's Varsity on the home court in an exhibition game. Tunk. took an early lead and emerged victorious by a score of 52-17.

Junior Varsity Basketball

Dec. 19, 1941 The Jr. Varsity played their third league game against Mill City on the home court. Mill City took an early lead and held it for the rest of the game. At the finish Tunk. was at the end of the string by a score of 42-30.

Jan. 9, 1942 The Tunkhannock Jr. Varsity were guests at Laceyville. The Tunkhannock dribblers were holding the lead until the last minutes of play when Laceyville jumped out in front to make a margin of 12 points. The jinx was against them and the score at the end of the game was Laceyville 28, Tunkhannock 16.

Jan. 12, 1942 Dimock came to Tunkhannock to play the Jr. Varsity on the home court. Dimock's team was fast and proved to be too potent for Tunkhannock boys. They led by a 37 to 17 score.

Jan. 16, 1942 Meshoppen league boys came to Tunkhannock to play the Jr. Varsity. They put on the steam and emerged victorious. At the end of the game the score board read Meshoppen 23-Tunkhannock 11.

Jan. 27, 1942 Rush made a return game to Tunkhannock and the home boys were unable to hold Rush from scoring. Shots were made from all points on the court. Rush smashed through Tunk's defense and came out on top with a score of 41-13.

Volley Ball is a sport used by T. H. S. to fill in the sporting season between Basketball and Baseball.

The sport if played correctly requires as much thought and energy as other sports, as well as much cooperation.

About twenty-five came out for the squad but Coach Bunnell cut the team down to twelve.

This year the team competed in the District 12 meet which was held at Nicholson, and succeeded in winning the meet and bringing the trophy home.

The team then went to State College for the state play-offs, but was beaten by Doylestown and Williamsport, thereby being put out of the running.

Supplement your high school course, either commercial or academic, with a course in Scranton-Lackawanna College, and thus be prepared for any one of the high-grade positions that are now being offered. Full credit given for high school work, either commercial or academic.
